Annual Governors' Report to Parents

The Governing Body are pleased to share a copy of their Annual Report to Parents for the academic year 2023-24. <https://schoop.co.uk/UploadFiles/14106/241024-full-annual-governors-report-to-parents.pdf>

Attendance Monitoring

A number of families have received a letter regarding attendance % levels of their child(ren). If your child is currently at a level below 90% a letter will be issued which outlines how school will be monitoring and ensuring improvement. Every day in school equates to 2 sessions (am and pm) and this is reflected in the report that is shared. We know every day of absence is a day's missed education.

We understand illness cannot be helped, however ongoing patterns of illness and holidays will quickly build up and result in attendance being below 90%.

Lego Club

We will be offering Lego Club to pupils in **Y1,2&3** from Wednesday 13th November from 3.20-4.20pm.

BOOK ONLINE!

The club costs £3.99 +VAT per child per session and is paid for half termly in advance. All club places are reserved and paid for online. Just go to www.kidswithbricks.com to book your child's place.

After School Football Club

Following discussion with Archie from Supastrikers, we are now in a position to offer an after school football club to pupils in **Y4,5&6** after half term on Tuesday evenings beginning on 12th November (3.20-4.30pm). Whilst there is definitely enough interest from pupils in younger classes to run another club, Archie has other commitments until Christmas. We will be in a position where we will be able to look at running another club for younger pupils from January.

The cost of the club is £4.00 per session and you are required to sign up for the block of sessions for the half term.
