

Newsletter 22nd November

Wintery Weather

This week has seen a dramatic change in temperature and our pupils were delighted to see snowflakes coming down on Tuesday and Wednesday!

Please remember pupils WILL CONTINUE to go out at break and lunch times. Therefore, a warm coat, hat and gloves are essential. Please make sure all items are labelled (particularly gloves) as often things tend to be dropped by mistake and end up in lost property.

Parent Governor Election

We are looking for a new Parent Governor to join our Governing Body. If you are passionate about making a difference and supporting improvements in education for all, please complete a nomination form.

Attached is the link to the nomination form to enable you to put your name forward for election. All nominees must be parents of pupils registered at the school. Nominees may include a brief personal statement to be distributed to parents in the event of a ballot.

The nomination form should be returned to school by Friday 29th November. If the number of valid nominations is equal to or less than the number of vacancies, these parents will be declared as parent Governors. If the nominations exceed the number of vacancies all parents will be given the opportunity to vote in a secret ballot. Details of the election will be sent to you at the appropriate time, if this is necessary.

Christmas Fayre

Careers' Week

Next week is our annual Careers' Week and this year pupils will be finding out about the jobs of different members of our community under the theme of 'uniformed services.' Please ask your children about the visitors and what they have learned. Our aim is to provide pupils with information and ideas that will inspire them to realise they can be whatever they choose to be. They will find out about different jobs, the career paths of different visitors and the skills needed to succeed. Please keep a look out on X for photos!
