

Newsletter 21st March

Comic Relief/ World Down Syndrome Day

A huge thank you to all pupils for supporting our fundraising today. It has been fantastic to see the creative wardrobe choices and the range of odd socks and odd clothes!

Don't forget Oti and her family will be holding a fun event on Saturday the 29th of March, where they will be rocking their odd socks and partying at The Punch House from 2pm.

There will be music, craft, face painting and raffle prizes, QR codes and buckets on the bar, all to raise money for 21 Plus, a local charity supporting children and young people with Down Syndrome and their families.

All families are very welcome to join them for this fun day.

School Vision and Values

As a Church in Wales Primary School, it is important for us to regularly revisit our vision, values and ethos in order that we can be sure that they reflect our school, our children, our families and our community... And we would really like your help and input into this.

We would be very grateful if you would take just a few moments to answer a few questions in the attached questionnaire, and particularly to share with us some of the words that you feel sum our school and what we do up. The survey is open now and will close on Monday 31st March. <https://forms.gle/mYL4X89aq8Hzue4d8>

We are conducting the same activity with the children and have already spoken with staff, and when we have collected all of your answers and words together, we will share the responses, and our next steps in redefining the vision, values and ethos with you all.

Instagram Permissions

If you haven't responded to our permission request for your child's photo to be used on our new Instagram account, please can we ask you to do this as soon as possible. Please remember we need you to respond EVEN IF YOU DO NOT GIVE CONSENT:

Mother's Day Shop

Once again, the PTFA will be offering a range of low cost gifts for pupils to choose for their Mum or female relative if pupils wish to 'shop'. The shop will be selling items on Monday and Tuesday next week. Nearly all items are under £4.00 and there are gifts that can be purchased for £1. Please ensure your child's money is put in an envelope with their name on in case it is mislaid.

Online Safety Information

Thank you to the group of parents who joined the online safety session at Monmouth Comprehensive last night. A huge amount of very important information was shared and as part of this event, SWGfL have provided all schools in our cluster with a link to the presentation. This will be live for only 28 days and I would encourage ALL PARENTS/ CARERS to view this. Although this does not replace the quality of the discussion held, the information is useful. It has never been more important for you to know and understand the risks associated with allowing your children to access online content especially without enforcing parental controls.

Rugby Success

Congratulations to our Year 4 pupil for being awarded Player of the Match at his rugby game against Caldicot last weekend. Da iawn!
