Tell us more:

Some people are mean and sometimes people get hurt.

Do you feel bullied in school?

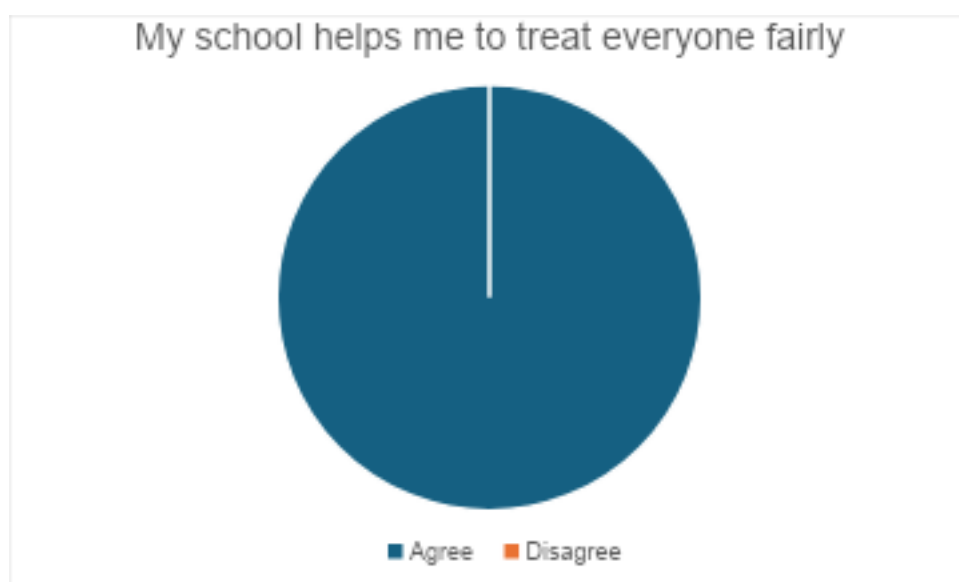

Year 1 unable to answer. This required discussion. Pupils not firmly understanding this.

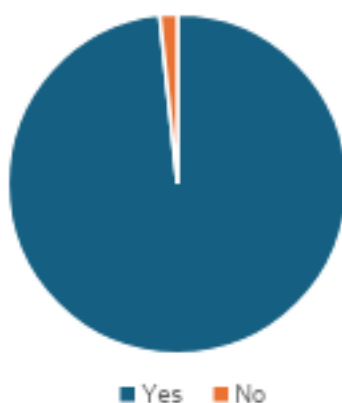

This was answered by Y2 only. They felt when it was too easy it was because they knew answers in maths or reading. Hard things were related to things they required practise to get better.

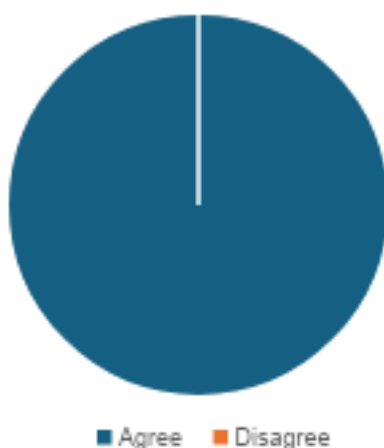

Year 1 were unable to answer this question.

I am encouraged to take part in school activities outside of lessons like clubs, sport, music or art

School leaders listen to our ideas and sometimes change things when we ask

I would recommend this school

We like opportunities to be creative and to learn. School helps us learn. We enjoy reading at school. The learning environment is nice.
